- 7.3 The Fees will also include a quarterly PRN charge in respect of the cost of providing evidence of the Scheme's compliance with the Regulations on behalf of the member. - 8.2 The operator will give the member credit in terms of volume and any value attached to those PRNs against the Member's aggregate obligations brought to the scheme.
- 8.3 If the Member acquires PRNs surplus to their own aggregate obligations, the operator of the Scheme may agree to purchase PRNs from the Member.
